

## LOANS COMMUNITY CENTRE LIMITED

Loans Community Centre Limited (LCCL) was established in 2010 as a community company limited by guarantee with charitable status. Its overall objective is to benefit the people of Loans and its environs through education, leisure and recreation facilities.

The company owns Loans Village Hall on behalf of the community and aims to bring the building into the 21st century and take over its management and maintenance from South Ayrshire Council. This requires us to develop plans and raise funding for its renovation. You can help revive our village hall as the heart of our community for social, recreational and educational activity by becoming a member.

Membership is open to everyone resident in the village of Loans and environs. Your membership is valuable to the Company – the more members there are, the better chance there is that we'll get the funding we need to modernise the hall. Without enough members the village hall will almost certainly close some time in the near future.

### **So please join to save and improve our Village Hall**

Members have exclusive access to information about the work of the company and the village hall and an opportunity to influence what is being planned. Members can vote at Company general meetings and be elected as a Company Director. An individual member's liability is limited to a maximum of £1 should the company fail.
